4 Questions from the public

Councillor Norman asked if the matter of the loose drain cover outside Street Farm, Farnham had been resolved. The clerk advised she had been in touch with Councillor Reid and Highways would be inspecting again around 15 November. The initial response was that the cover had not dropped enough to meet the criteria for action. The nearby residents dispute this as the noise from it can be heard every time a vehicle goes over the cover. Councillor Reid said he would ensure the cover was properly inspected.

5 Reports from County and District Councillors

Reports were received from Councillors Poulter and Reid which were circulated. Councillor Reid highlighted the forthcoming consultation regarding changes to EDF's planning application for Sizewell C. This will begin on 18 November for 30 days. It appears the changes to the plans for a two village bypass will involve the purchase of additional land and a change to the public footpath around Walk Barn Farm. It may also be the case that the Government steps in as a substitute funder in place of the Chinese.

Councillor Norman asked if it was appropriate for SCC to spend £228,000 on tree planting during the current crisis. Councillor Reid pointed out that this had been agreed pre the pandemic and that the plans include a Healing Wood for those affected by Covid-19 and the management of roadside verges for wildlife.

6 Clerk's Report

The correspondence log was circulated prior to the meeting. The clerk advised she will be participating in a Planning Aid England webinar on 27 November concerning the forthcoming changes to the Sizewell C planning application. She also advised that due to current financial uncertainties the 2021/22 precept setting meeting should be held in January when the necessary information will be available from ESC. Councillor Norman will attend a virtual meeting of the Joint Local Authorities Group on 26 November.
