It was agreed the clerk will report the empty property at Church Bungalow, Farnham, as it has been empty for over two years. The church will be cutting the hedge between the churchyard and the bungalow.

The invoices were all approved. The balance in the account is now £5163.64.

There were no receipts.

**45/19 PNA DC/19/2831/PN3**

This was a further Prior Notification Application for the change of use of an agricultural building to a dwelling at Little Stud Farm, Stratford St Andrew. Councillor Pass advised this application includes elevations which the previous application did not. Councillor Pass left the meeting while the application was discussed. The council agreed that as the application met the criteria for change of use there were no objections.

**46/19 Response to EDF public consultation Stage 4 Sizewell C**

There was much discussion about EDF's Stage 4 consultation. It was felt that EDF had paid lip service to the council's suggestions at Stage 3 and had only made minor alterations. In particular the new road will still go west of Foxburrow Wood rather than east as the council had requested. This is in spite of a lack of evidence that Palants Grove to the east is designated ancient woodland which is EDF's reason for not going through it. EDF say the council's route is longer, only 0.4km, and will encourage drivers not to use it. This is strongly refuted. EDF's route affects many and only benefits a few, a route to the east of the wood would benefit nearly everyone. Sarah Morgan has had a banner made and been given permission to put it up outside the Riverside Centre. It was agreed that the clerk will put together a skeleton response structure with bullet points to be discussed at the next meeting.

**47/19 Reports from external meetings**

Councillors Norman and Gilbert attended a workshop run by SCC and ESC to discuss EDF's Stage 4 public consultation. The overwhelming response was that there was still a lack of detail.

**48/19 Items for future meetings**

To include internal audit recommendations, risk assessments, Sizewell C Stage 4.

Date of next meeting 9 September.

The meeting was closed at 21.25.
